DECLARATION OF ALLISON HERR

STATE OF NEVADA)
) ss:
COUNTY OF CLARK)

I, Allison Herr, being first duly sworn under oath, depose and state as follows:

1. I am an attorney licensed to practice law in all courts within the State of Nevada and am employed as a Senior Deputy Attorney General in the Office of the Nevada Attorney General. I have been assigned to represent Respondents in the case of *Davis v. Neven*, 2:15-cv-01574-RFB-NJK, and as such, have personal knowledge of the matters contained herein.

2. An answer to the First Amended Petition for Writ of Habeas Corpus (ECF No. 29) is currently due on Monday, December 14, 2020. Respondents have been unable to timely complete their answer and need additional time. Respondents seek an extension of forty-five days up to and including Thursday, January 28, 2020.

3. During the course of preparation of the answer, I became aware that the transcript of the September 4, 2019 evidentiary hearing was missing from case file. Unfortunately, at the time of the redaction deadline, I was out on medical leave and a request for the transcript was overlooked. Later due to a changeover in internal staffing efforts to secure the transcript again slipped through the cracks. A new request was entered on November 30, 2020, however due to budget cuts related to COVID-19 counsel had to obtained approved from the office auditor for the expenses and did not obtain that approval until December 11, 2020. While the transcript is now in hand, that left insufficient time to complete the answer by the December 14, 2020 deadline. Additionally I have three answers due in federal court along with an answering brief and oral argument in the 9th Circuit coming due in the next thirty days including Malone 2:18-cv-01146, Wilson 2:19-cv-00549, Forsberg 3:19-cv-00037, Patterson 20-15635, and Minor 19-15822. Thus, I am seeking a forty-five-day extension to insure enough time to complete this project.

4. Respondents have conferred with counsel for Petitioner about this request and Petitioner's counsel does not object to the requested extension.

5. This is the second request for an extension.
